Fishers Green and Turnford Consortium membership are now available to all members.

*Juniors under the age 13 can fish with a member of the Club for free. However, if a parent or guardian has an under 13 child who wants to fish – and the parent or guardian is not a member of Verulam Angling – the Adult can purchase a 'Guardian Membership' for £45.00 and can fish the waters at Riverside Road or Frogmore. The adult can take up to 3 underage children each time. The guardian cannot fish but can assist with casting and the handling of fish. If the Adult believes the child is adept to fishing other Verulam Club waters they can book a coaching session with our Roger Smith to decide on the child's ability.
